Charles Russell Speechlys is a law firm headquartered in London with offices in the UK, Europe and the Middle East.

We have an unusually broad range of skills and experience across the full spectrum of business and personal needs. This gives us a wider perspective, clear insight and a strongly commercial long-term view. We use this approach to secure the growth of our clients as they move confidently into the future.

It has made us a leader in the world of dynamic growth and family businesses, and among the world's leading creators and owners of private wealth and their families. Major corporates and institutions find our more considered and personal approach a refreshing alternative to conventional business law firms.
