Description and how to apply
Pump Court Chambers Children Team is an extremely busy and vibrant team of Barristers practicing in all aspects of Children law. Due to the high volume of work In Chambers we are seeking an able and enthusiastic 3rd-six pupil to work on the London, Western and South-eastern Circuits, with a view to tenancy. The work will include children law both public and private, child abduction and court of protection work. There will also be opportunities to work within our highly successful Family Finance Team. The successful candidate may choose whether to be based in London, Winchester or Canterbury. The successful applicant will benefit from proactive support and will be allocated a mentor within Chambers. They will be working alongside a supportive and collegiate team of junior barristers. We are accepting applications for third-six pupillages to start immediately, although this is flexible. As a large provider of legal services, Pump Court Chambers is recognised as ‘top ranked’ and ‘a leading set’ by Chambers and Partners Guide to the UK Legal Profession. We are highly regarded by our peers and work providers for the depth of our expertise across the full range of contentious legal services in London and on the Western and South Eastern Circuits.

If you share our ambition, drive and commitment to excellence in all that we do, we would like to hear from you.

All applications will be treated in strict confidence. We are an equal opportunities set and are committed to equality and diversity.
